

DO YOU WANT TO BRING HOPE & HELP TO YOUR FRIENDS & NEIGHBOURS?

If so, we invite you to start a Hope Group!

A Hope Group is a practical way for Christians to share the love of Jesus with their unchurched friends at “such a time as this” (Esther 4:14).

These groups are specifically designed to help people who feel socially isolated during a pandemic.

A Hope Group involves 3-4 people who meet online each week to explore the bible and support each other, using a simple process that almost anyone can follow:

THANKS
CHALLENGE
SCRIPTURE
HELP
PRAYER

Our training is free for any Christian who is willing to invite their unchurched friends to experience hope and help through the teachings of Jesus.
